... The white paper contains recommendations from a series of roundtable sessions held across Canada Toronto, July 7, 2010 "" Deloitte Canada released its white paper The road to inclusion: Integrating people with disabilities into the workplace, at the Business Leadership Network Breakfast, a Job Opportunity Information Network (JOIN) event. The white paper contains recommendations from a series of roundtable sessions held across Canada this spring, which brought together representatives from the business community, stakeholder groups, government agencies and Paralympic athletes to discuss the inclusion of people with disabilities into the workplace. "We hope the report will kickstart conversations – and action – across the country as organizations work together ... » [Next \(HTML\)](#)
